BEST PRACTICES

Risk Management

We employ the best practices in our investment strategies to minimize risk to the bare minimum. With our major focus on crypto, blockchain and digital assets, we as well diversify our investment portfolios into other areas, such as **Medical Cannabis**, **Financial planning**, **Real estate** etc.

This enables us to keep afloat with our investors ROI, even during moments of high volatility and long bearish trend in the crypto market.

SECURITY

The Blockchain

Real website security means end to end encryption, as well as user privacy within the system. We monitor every transaction 24/7 to help protect against fraud, email phishing and identity theft. Every transaction is secured on our very own encrypted blockchain protocol, to which only we have access. Our security team works non-stop to protect against any suspicious activity.

TRANSPARENCY

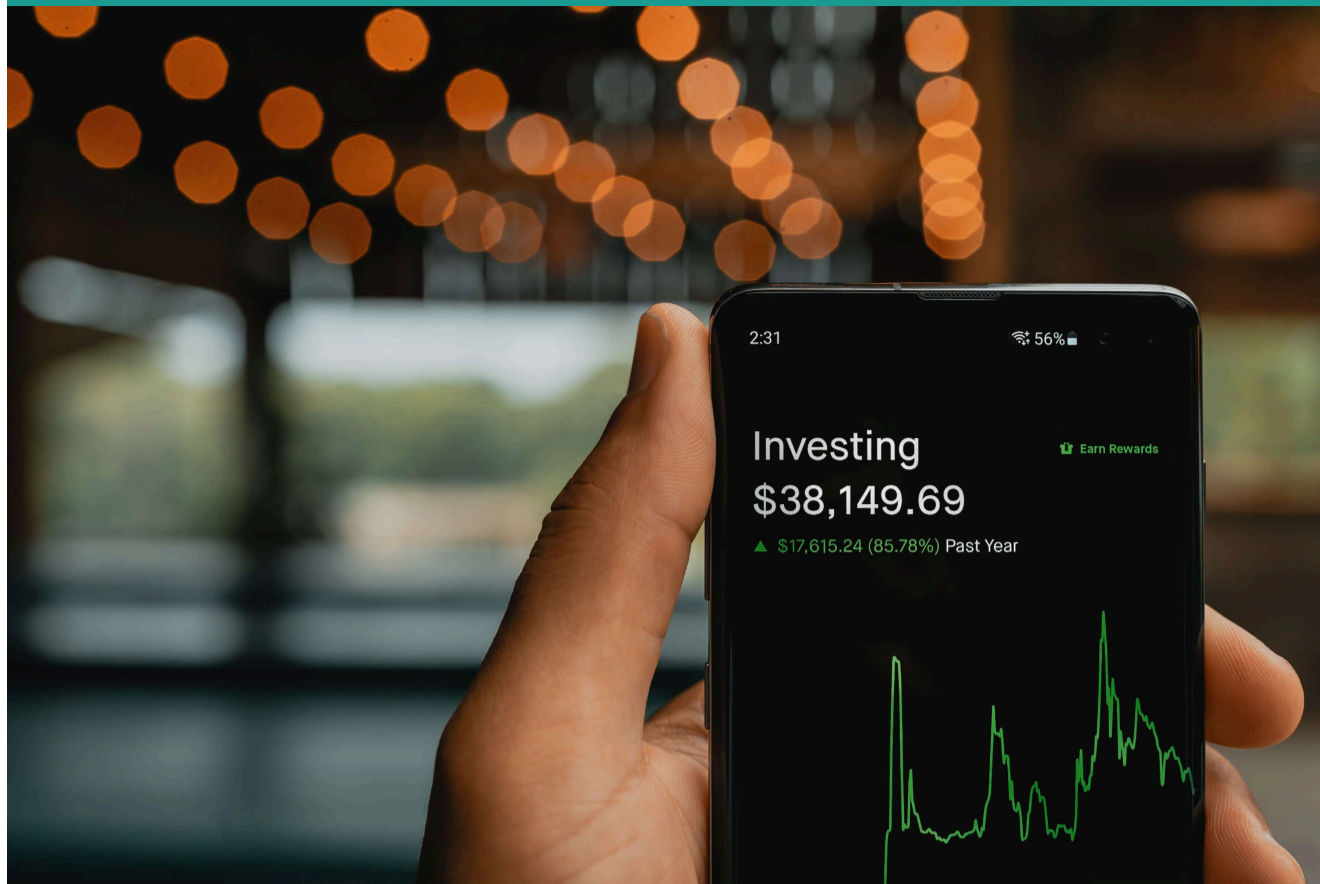

Integrity

We operate in an industry built on trust. Integrity is the central value of berkshireventure.com We strive to be the best in our field and are constantly improving ourselves to meet the highest industry Standards in our industry, without exceptions. We stay grounded by focusing on what works and recognizing what could be improved. We appreciate and capitalize on what keeps our **clients**, our **employees**, and our **mission**

successful.

PROFIT

Innovation

After our clients are compensated according to their registered ROI, we use any leftover funds to further develop our technology, new products and services, and partnerships with notable figures within the Financial space. We believe that we are leading our industry when it comes to ease of use, innovation and access to the most up to date trading strategies available. This is because we have worked hard over the years to expand our partner network to provide the best services available to our clients

GRAND SHARES LIMITED

Our Story

We have a relentless drive to achieve distinctive quality and performance while aiming to deliver an outstanding investor experience. Over the past 7 years, we've diligently built an organization that makes us proud. We got here by never taking the easiest route, and working hard to do what we believe is right. Our growth is a reflection of our commitment to excellence and treating our investors the way we would have liked to be treated if our roles were reversed.

PARTNERS

Our Partners

The Current Partners of our Financial Trading Team come from different scientific disciplines, but our common faith in Crypto brought us together. We are all strong believers in the Future of Digital Currency and we love being part of this growing community!

GOALS

Our Mission

Building the Financial economy – a more fair, accessible, efficient, and transparent Investment financial system enabled by crypto.

We started in 2017 with the radical idea that anyone, anywhere, should be able to easily and securely Invest with Grand Shares Limited. Today, we offer a trusted and easy-to-use platform for accessing the broader Financial economy Investment in the crypto sector.

OUR COMPANY DOCUMENTS

Meet our team of highly effective financial experts who knows for sure when a currency is to rise or fall. They track the market continuously and start trading at best times.
